Is a founder member of International Society for Arcadia (ISA) and of International Arcadia Network (IAN).

Cultural Organization ‘Arcadia’ - mainly through Ancient Greek Tragedy and opera-operates actions with centerlines Culture, Science and Education via **cross-culture and multicultural** activities: production of cultural products, participation and collaboration of indigenous and foreign scientific and artistic manpower (professors, academics in Round Table, seminars, meetings etc), training with seminars and workshops to students from the Universities, collaboration with the artistic manpower (artists and Symphonic Orchestras), collaboration with the technical working force (workers, technicians, craftsmen), training the unskilled with seminars and workshops.

Also it develops individuals from special teams: unemployed, women, children, individuals with special needs, students etc.

The activities and the presentations are **multilingual**.

It organizes: Round Tables, Symposiums, seminars, presentations of Ancient Greek Tragedy (with the participation of Symphonic Orchestras, with prototype music, promoting new-presented artist, composers, poets etc.), press conferences, concerts etc.

Always in collaboration with official authorities (Universities, Ministries, international Organizations as UNESCO etc.) and with reliable Greek and local partners.

The range of the Organization's action is international.

Africa, Middle East, Europe, Central Asia, China, Russia, Canada, Latin America.

The public in which it is addressed includes the all social teams (including people with special needs, immigrants, children, women etc.).
